How Your Sponsorship Benefits Your Business and Your Community

Join us and other important business leaders in making Putnam a better place to live and work by supporting the three most fundamental building blocks of our community:

EDUCATION

A quality education that leads to a stable job: Including programs like **Born Learning** which helps children ages 0-5 start school prepared to achieve and **Can We Talk** which reduces startling trends in substance abuse in our teens with tools for parents.

INCOME

Income that can support a family through retirement: Our **Financial Education Program's** skilled volunteers provide free training to local employees to help them make smarter financial decisions. **United Way 2-1-1** connects people to services they need when in crisis.

HEALTH

Building healthy neighborhoods: We bring people together across town and age demographics to look at ways that they can eat and live healthier with programs like **Green Thumbs Up**.

These are just a few of the ways your sponsorship helps. Learn more about how you can LIVE UNITED at www.uwwp.org.
