System requirements

Blitzr will only work on a [desktop](#) or [laptop](#) computer – **NO MOBILE DEVICES**

Blitzr is fully functioning on the [Chrome](#) browser. Other browsers will have limited function and performance. If you do not already have Chrome installed, you can download it here: <https://www.google.com/chrome/>

Create your account and make a profile

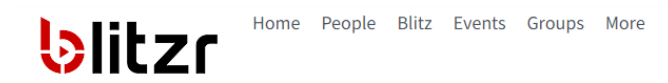

Before the start of the Summit, go to www.blitzr.com and create an account.

The image shows a screenshot of the Blitzr website in a Google Chrome browser. The browser's address bar shows 'blitzr.com'. The website header includes the Blitzr logo and navigation links: Home, People, Events, Groups, More. A red 'Login / Signup' button is visible in the top right. Below the header, the main content area features the text 'Wake Up Your Virtual Events with 1-on-1 Conversations' and two buttons: 'Join A Blitz' and 'Host A Blitz'. To the right, there is a laptop graphic displaying a sign-in menu with options: 'Sign in with LinkedIn', 'Sign in with Facebook', 'Sign in with Blitzr', and 'Create Blitzr Account'. A blue arrow points from the top of the page down to the 'Login / Signup' button. Another blue arrow points from the right side of the page towards the 'Create Blitzr Account' option on the laptop screen.

Virtual events fail to capture the magic of their live counterparts. Without 1-on-1 networking, your event is just a webinar. Even with carefully crafted content and top-notch speakers, event planners are fighting an uphill battle against videoconference fatigue. And the stakes couldn't be higher. Either you engage your

The system will then allow you to create a profile

[Join the Blitz](#)

Friday, Oct 2 @ 11:53 am

Time Description

- 11:53 Conference (2 minutes)
- 11:55 1-on-1 Networking (6 conversations @ 5 minutes each)
- 12:25 Feedback
- 12:26 Conference Portion (2 minutes)

Click Sign In (whichever method you used to create your account) and click Login & Register, then click Join Event

The screenshot shows the Blitzr event page for "Blitz Now". At the top left is the Blitzr logo. Navigation links include Home, People, Events, Groups, and More. A digital clock shows 11:51. The event title "Blitz Now" is prominently displayed. To the right, the event details are: "Oct 2, 11:53 am", "* Starts in 1 minutes.", "Nonprofit Leadership Summit 2020", "by Katie Harris", and "Free". Below this is a "Copy Invite Link" button. A red "Join the Blitz" button is present. Underneath are three sign-in options: "Sign in with LinkedIn", "Sign in with Facebook", and "Sign in with Blitzr". A blue arrow points to the "Sign in with Blitzr" button. Below these are input fields for an email address (starting with "@gmail.com") and a password. A red "Login & Register" button is highlighted with a mouse cursor. Other options include "Forgot password" and "Create Blitzr Account".

This screenshot shows the navigation bar of the Blitzr website. It features the Blitzr logo on the left and navigation links for Home, People, Blitz, Events, Groups, and More. A yellow button labeled "Click Here to Join Your Event" is highlighted with a mouse cursor. A blue arrow points to this button from the right.

Test your video
Before the networking session begins, test your video

This screenshot shows the user profile menu on the Blitzr website. The navigation bar is visible at the top, including the Blitzr logo and a red "Click Here to Join Your Event" button. A user profile icon is shown with a dropdown menu containing "My Profile", "My Recordings", and "Test My Video". A blue arrow points to the "Test My Video" option. To the right of the menu, a digital clock shows 01:04. Below the menu, the event title "Nonprofit Leadership Summit 2020" is partially visible.

Click here to start test

Test Video Settings

This short (15 second) test will make sure your browser is setup properly for your Blitzr events.

Starting Video Test....

My Video Works **Fix My Video**

Troubleshooting Your Video:

- Click on the security lock icon (🔒) to the left of blitzr.com. Make sure that "Camera" and "Microphone" are both set to "Allow". If you change them to "Allow", you may need to reload this page to retest.
- Make sure you are using the latest version of Chrome. Click on Chrome -> About Chrome, and if there are new updates - install them and retest.
