COMMUNITY PHILANTHROPY **JEANNETTE S. WARNER, ESQ.** ATTORNEY AND COMMUNITY LEADER

An estate planning attorney and avid volunteer, Jeannette became involved with United Way through the United Way of Scarsdale-Edgemont community board, which she has chaired since 2012. Currently its Vice Chair of Advocacy, she joined the Board of Directors of United Way of Westchester and Putnam in 2006 where she has helped fundraise and advocate for the needs of people struggling in our community.

As a United Way volunteer, Jeannette's contributions vary from fund and "friend" raisers, to marshalling volunteers for outreach activities within the community. One day, she can be found running a board meeting, and the next day she will be rolling up her sleeves to deliver food to the needy and plastering the community with posters advertising an event. Jeannette has also volunteered with St. James the Less Church, the Kips Bay Boys and Girls Club, and the Junior League of Central Westchester, among other community service organizations.

Jeannette has a passion for advocacy and has walked the marble hallways of Albany and Washington to support legislation to help vulnerable populations. She also has engaged the United Way of Westchester and Putnam board providing them with tools for advocating and encouraging them to join voices in support.

A native of Nashville, Jeannette is a graduate of Vanderbilt University, where she received her BA in 1982 and her JD in 1989, and holds an LL.M. in Taxation from NYU.

Jeannette resides in Scarsdale, NY and has two children.

Dear Friends of United Way of Westchester and Putnam,

Welcome to our annual and first virtual **Imagine Gala**. We are delighted that you have joined our celebration this evening!

We extend a hearty congratulations and thank our amazing 2021 “**Spirit of Caring**” honorees, **Entergy**, **Walter D. Hosp**, and **Jeannette S. Warner, Esq.** for their leadership support of United Way’s ongoing crisis response efforts and for their passionate community involvement.

Tonight’s event celebrates the work of our incredible honorees and United Way of Westchester and Putnam’s impact in the community. In this brave new world, characterized by unprecedented loss and unparalleled need, United Way has been working around the clock to help our community, our neighbors, and our friends and families.

Vulnerable populations in our community, already struggling to make ends meet, have been disproportionately affected by the COVID-19 pandemic. With help from our supporters, we have been working hard on the frontlines during this challenging time.

United Way has provided over \$9 million worth of essential goods, administered \$1.7 million in grants to nonprofits in Westchester and Putnam, answered more than 114,000 calls for help through our 211 Helpline, and over 725,000 families have benefitted from our COVID-19 Response and Recovery Efforts.

We’re not out of this public health and economic crisis yet and neither are our neighbors. At United Way, we believe that **WE ARE STRONGER TOGETHER** and that it is only by being **UNITED** that we can change the world for the better.

Thank you for being a part of our frontline effort to help those in our community who need it the most. We hope to raise a glass together and celebrate in person with you next year!
