Letter from CEO and Board Chair

Dear Friends,

Welcome to the United Way of Westchester and Putnam's **2022 Day of Golf**. We are thrilled to have you join us for what promises to be a fun-filled afternoon and evening at Scarsdale Golf Club!

Not only does the Day of Golf serve as an opportunity for friends to support our efforts helping neighbors in need, but it also affords us the chance to recognize and celebrate our good friend and honoree, **Joseph D. Roberto**, Chairman, President, and Chief Executive Officer of PCSB Bank. Born and raised in Westchester, Joe has been a long-time advocate for our community and a champion of the nonprofit sector. We are delighted to honor Joe!

While our community is nationally known for its wealth, a startling 40% of households live in poverty or paycheck-to-paycheck, with single moms, seniors, veterans, and hardworking families struggling to afford their basic needs and making difficult choices daily. For many of us, but especially to these residents, the economic woes of inflation, continuing supply chain issues, and a pandemic that just won't end, all seem too overwhelming to face.

That's where **YOU** and **United Way** join forces to make an important difference in our community. Together, we can protect and support those in our community who need help the most.

Last year, United Way distributed over **\$6.2 million worth of essential goods** and **790,000lbs of free groceries** to households in Westchester and Putnam Counties; provided more than 270,000 referrals around basic human needs through our 211 Helpline; administered more than \$700,000 in grants to local nonprofits; and so much more. In total, UWWP has invested or leveraged more than **\$24.2 million** to help more than **353,000 families** in our community.

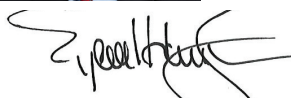

At United Way, we believe that **WE ARE STRONGER TOGETHER** and that it is only by being **UNITED** that we can change the world for the better. We thank you for being a part of these efforts by your presence today and encourage you to get more involved!

Enjoy our Day of Golf!

Sincerely,

Tom Gabriel

About Our Honoree

Joseph D. Roberto

Chairman, president and chief executive officer of PCSB Bank (2012-present)

Born and raised in Mt. Vernon, New York, Mr. Roberto's professional banking career spans more than 48 years in various financial management and executive positions for other financial institutions. Before joining PCSB Bank, Mr. Roberto began his career at Yonkers Savings and Loan Association and served as chief financial officer until its sale in 2002.

As CEO of one of the lower Hudson Valley's leading community banks, Mr. Roberto is a strong advocate for supporting various non-profits and community fund raising events. Through his leadership, PCSB Bank and its employees are committed to understanding the needs of the local communities they serve.

As a further commitment to the communities they serve, the Bank established the PCSB Community Foundation, in connection with its 2017 stock conversion which has provided over \$1.5 million in grants and sponsorships to non-profit organizations since that time. Mr. Roberto pledges that the charitable organization will continue to support life-changing organizations that have a profoundly positive impact on the daily lives of so many residents in the Lower Hudson Valley.

Mr. Roberto is actively involved in various organizations in both Putnam and Westchester Counties, currently serving on the boards of the Putnam Economic Development Committee, the Putnam Hospital Center Foundation, the Westchester County Association, the Boys and Girls Club of Mt. Vernon, the Corporate Council of St. Christopher's Inn and 2022 Benefit Committee for Volunteer New York. Mr. Roberto is also actively involved with the American Heart Association and its Putnam/Westchester Heart Walk and is its past Chairman.

Additionally, over the past few years, Mr. Roberto has been honored for his community support by St. Christopher's Inn. Garrison NY; Sunrise Association, Pearl River, NY; NAACP Mt. Vernon, NY Branch; Boys and Girls Club of Mt. Vernon, NY; Northeast STEM Starter Academy (NSSA), Mt. Vernon, NY; the Chabad of Bedford, NY; the Youth Community Outreach Program (Y-COP), Mt. Vernon, NY and Association of Development Officers, White Plains, NY.
