

ALICE County Reports with ZIP and Place Data

Counties are the core geography for ALICE data: They reveal variations often masked by statewide averages, and the data is reported regularly and reliably.

ALICE IN WESTCHESTER COUNTY

ALICE is an acronym for **A**sset **L**imited, **I**ncome **C**onstrained, **E**mployed — households that earn more than the Federal Poverty Level, but less than the basic cost of living for the county. While conditions have improved for some households, many continue to struggle, especially as wages fail to keep pace with the rising cost of household essentials (housing, child care, food, transportation, health care, and a basic smartphone plan). Households below the ALICE Threshold — ALICE households plus those in poverty — can't afford the essentials.

The Cost of Basics Outpaces Wages

The Household Survival Budget reflects the minimum cost to live and work in the current economy and includes housing, child care, food, transportation, health care, technology, and taxes. It does not include savings for emergencies or future goals like college or retirement. In 2024, household costs in every county in New York were well above the Federal Poverty Level of \$15,060 for a single adult and \$31,200 for a family of four.
